

Fractional CIO / CTO

Add senior leadership without a full-time appointment

Ongoing decision support for the CEO, CFO, COO, Board or agency executive.

We provide executive advice and investment governance, support vendor and architecture decisions, and bring leadership to major initiatives. The engagement adds senior technology guidance and a regular management cadence around the decisions your leadership team needs to make.

CONNECTED CAPABILITIES

01

Executive advice

Bring senior technology guidance into the business and operational choices facing management.

02

Investment governance

Support the review of technology priorities and investment decisions with an executive perspective.

03

Vendor decisions

Help management consider vendor choices in the context of business priorities and the technology direction.

04

Architecture decisions

Connect architecture choices with the organization's priorities and major initiatives.

05

Initiative leadership

Provide senior technology leadership for the major initiatives included in the agreed engagement.

06

Management cadence

Establish a regular management rhythm for technology advice, priorities and decisions.

BUILT AROUND YOUR OPERATIONS

For the CEO, CFO, COO, Board or agency executive seeking ongoing senior technology decision support.

Senior guidance with a regular cadence

Shape executive support around the decisions, initiatives and level of leadership access your organization needs.

A TYPICAL ENGAGEMENT JOURNEY

01

FRAME

Agree the leadership needs and decision priorities.

02

ESTABLISH

Set the scope, access and management cadence.

03

GUIDE

Support investment, vendor and architecture choices.

04

REVIEW

Revisit priorities and major initiatives with management.

Illustrative engagement. Final sequence follows the agreed scope.

BUSINESS BENEFITS

Executive perspective

Bring technology considerations into management discussions and decisions.

Connected choices

Review investment, vendor and architecture decisions in the same business context.

Leadership continuity

Use a regular management cadence to maintain attention on agreed priorities.

Engagement and outputs

Senior technology guidance and a regular management cadence.

Ongoing decision support for the CEO, CFO, COO, Board or agency executive. We shape the engagement around executive access, major initiatives and the decisions to be supported.

Scope to confirm

Responsibilities, decision authority, availability, management cadence and initiative coverage are defined in the agreed executive-support engagement.

The iThink approach

UNDERSTAND THE MANDATE

Confirm the business priorities and where senior guidance is needed.

AGREE THE WORKING RHYTHM

Set executive access, responsibilities and the management cadence.

SUPPORT KEY DECISIONS

Provide guidance on investments, vendors, architecture and major initiatives.

REVIEW WITH MANAGEMENT

Keep the discussion connected to current priorities and expected outcomes.

Discuss your executive support needs

Let us shape senior technology guidance around your leadership priorities and management cadence.
